EXAMINER'S STATEMENT FOR REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The prior art of Zah fails to explicitly disclose or reasonably suggest an apparatus with an integrated optical circuit having a silica-based set of optical amplifiers, an individual optical amplifier having an evanescent coupler to couple signal light with pump light, an individual optical amplifier having a gain section, and a silica-based AWG with a star coupler formed in said integrated circuit. Therefore claims 1 and 7 are allowed. Claims 2-6, 8-10, 15, 17-18 and 21 are allowed by virtue of their dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Wong whose telephone number is 571-272-2363. The examiner can normally be reached on Monday through Friday, 830AM - 430PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Frank Font can be reached on 571-272-2415. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
